PRACTICAL INFORMATION

The **Hotel Continental** is the largest luxury Hotel in Skopje, Republic of Macedonia.

Located in the city, 20 minutes drive from the Alexander the Great Airport, in a 10000 m2 landscaped garden, adjacent to the Fair Ground, 5 minutes from downtown Skopje.

The **Hotel Continental** has its own private parking and garage where cars are safe.

Since January 1994, the Hotel Continental became a part of a joint-venture “International Hotels”, founded by a foreign partner from France, which manages this Hotel.

From that time, renovation of this Hotel is the main priority of this management, making of the Hotel Continental a luxurious and attractive Western European one.

All the public areas have been renovated as well as a large part of the rooms and apartments.

The Management intends to make from the **Hotel Continental** a member of one of the biggest International Hotels Chains.
